

**Nar Bahadur Bhandari Government College Tadong
PG Admission 2021**

As there have been few withdrawals in various PG courses, so the admission committee plans to fill up the vacant seats by giving those seats to next in line in the merit list drawn from among those candidates who have attended the counselling held on 11/10/2021. Such candidates would be informed personally. If such candidates fail to report within at most two working days, then the seat would automatically go to next in waiting iteratively till the formal closure of admission.
