

EK BHARAT SHRESTHA BHARAT (EBSB 2020)

With the vision of harboring and strengthening unity in diversity EBSB as a scheme was mooted by the Honourable Prime Minister of India Shri Narendra Modi during the the Rashtriya Ekta Divas held on 31st October, 2015, to commemorate the birth anniversary of Sardar Vallabhai Patel. The main objective of which is to promote the spirit of national integration through a deep and structured engagement between all Indian States and Union Territories. This is goal is to be reached by the means of pairing the States and UTs of India with each other. The states then are to learn about their partner states in terms of social, cultural, economic and political factors. In this course Nar Bahadur Bhandari Degree college has been paired with an Institution in Delhi (the name of which is yet to be disclosed). Therefore, on 13th feb 2020 as the first step towards setting a mile stone in the path of national integration the students of NBBDC under the Guidance of Principal Dr. Bina Pradhan, Program Coordinator and Faculty Coordinators have formed the EBSB Club. Today, 15th Feb 2020 the club conducted their first activity by hosting a public quiz in M.G Marg, Gangtok. The students approached the locals as well as the tourists in M.G Marg and quizzed them with a set of questions based on Delhi and it's heritage. The aim of the exercise was to assess the general knowledge of the people about Delhi and simultaneously spread awareness about the same. The Students received a good feed back from the participants who reflected different levels of understanding on the subject and also had the opportunity to engage themself in an interesting form of interacting with the public and learn through this experience outside their classrooms.
